

# International Vital Pulp Therapy Symposium & Workshop

## 19-21 February 2025, New Delhi, India

### Student E-Poster Presentation Schedule – 21<sup>st</sup> February 2025

**Venue: Hyatt Regency, Delhi**

SYSTEMATIC REVIEW & META-ANALYSIS			Date: 21 <sup>st</sup> February 2025	Time: 8:00-9:00AM	
Poster ID	User ID	Title	Author	Institute	Screen
Poster ID	Reg. ID	Title	Authors	Institute	Screen
125	368	Emerging materials in vital pulp therapy: Trends and innovations	Dr Gurleen Kaur, Dr Kanwalpreet Kaur Bhullar, Dr Aashish Handa	Sri guru ram das institute of dental sciences and research	D
126	540	Laser-assisted vital pulp therapy: Enhancing precision and healing	Dr Keshav Singla, Dr Tarun Kumar, Dr Sunandan Mittal, Dr Vanita Keshav	Dasmesh Institute of Research and Dental Sciences Faridkot	D
127	541	Overview of vital pulp therapy procedures	Dr Sonali Bansal	Dasmesh Institute of Research and Dental Sciences	D
128	543	The role of human amniotic membrane in pulpotomy for primary teeth: A systematic review	Dr Nishtha Sardana	Dasmesh Institute of Research and Dental Sciences	D
129	385	Systematic review on pulp regeneration- The new normal	Dr Pranav Mishra Dr. Ekta Choudhary	Sharda School of Dental Science	D

**ORIGINAL RESEARCH****Date: 21<sup>st</sup> February 2025****Time: 8:00-9:00AM**

<b>Poster ID</b>	<b>Reg. ID</b>	<b>Title</b>	<b>Authors</b>	<b>Institute</b>	<b>Screen</b>
146	590	Comparative evaluation of Biodentine and Dycal in vital pulp therapy: Advancing pulp preservation in young permanent teeth	Dr Ananya Sharma	I.T.S Dental College, Hospital & Research Centre	E
147	535	Comparative evaluation of effectiveness of TherCal LC, MTA and calcium hydroxide in direct pulp capping in primary molars: Randomized clinical study	Dr Deepika Singh, Dr Shruti	PGIDS, Rohtak	E
148	480	Comparative evaluation of pain after DPC and complete pulpotomy in extremely deep carious permanent mandibular molars	Dr Himanshi, Dr Sakshi	PGI, Rohtak	E
149	404	Comparative evaluation of treatment outcomes of pulp capping using diode laser and amoxicillin loaded microspheres in mineral trioxide aggregate cement- An in-vivo study	Dr Anam Dilaawez, Dr Ekta Choudhary	Sharda School of Dental Sciences Greater Noida	E
150	527	Decoding AI in dentistry: Assessing chatbot accuracy in vital pulp therapy guidance	Dr Neeraj Mohan K, Dr Seema Yadav	Maulana Azad Institute of Dental Sciences	E
151	545	Evaluation of Bio-C Repair as a pulpotomy agent in primary molars: A pilot study	Dr Ashita Goyal	Dasmesh Institute of Research and Dental Sciences, Faridkot	E

152	118	Evaluation of Clinical and Radiographic Efficacy of Pulpotec, Aloe Vera Gel, and Formocresol for Vital Primary Pulp Therapy	Dr Bhagya, Dr Anisha	PGIDS, Rohtak	E
153	331	Evaluation of the effects of different direct pulp capping agents on human pulp tissue	Dr Prerna Goel	MMCD SR	E
154	525	KAP of VPT among endodontic Residents- A questionnaire study (part-2)	Dr Sandhya, Dr Ruchika Roongta Nawal, Dr Sangeeta Talwar	Maulana Azad Institute of Dental Sciences	F
155	547	Preserving pulp vitality in paediatric patients: The role of silver diamine fluoride in early childhood caries management	Dr Shreya	Dasmesh Institute of Research and Dental Sciences	F
156	537	Preserving pulpal vitality: The cornerstone of conservative dentistry	Dr Prabha Shristha	King George's Medical University	F
157	517	Prognosis assessment and treatment outcome for partial pulpotomy in mature permanent teeth with SIP	Dr Saada Sulaiman, Dr Ruchika Roongta Nawal, Dr Sangeeta Talwar	Maulana Azad Institute of Dental Sciences	F
158	444	Revolutionizing vital pulp therapy: Microfluidic devices and biosensors for real-time pulp diagnosis	Dr Andrea Joseph	AIIMS Vijaypur, Jammu	F
159	388	Role of cytokines in vital pulp therapy	Dr Anmol Jain, Dr Ankit Tirpude	PGIDS Rohtak	F
160	538	Treatment approaches for failed vital pulp therapy: A 2-year follow-up study	Dr Muskaan Garg, Dr Tarun Kumar, Dr Sunandan Mittal, Dr Vanita Keshav	Dasmesh Institute of Research and Dental Sciences	F

<b>CASE REPORT/ CASE SERIES</b>		<b>Date: 21<sup>st</sup> February 2025</b>		<b>Time: 8:00-9:00AM</b>	
<b>Poster ID</b>	<b>User ID</b>	<b>Title</b>	<b>Author</b>	<b>Institute</b>	<b>Screen</b>
185	632	Injectable Platelet Rich Fibrin (i-PRF) as a pulpotomy agent in a permanent mandibular molar with symptomatic irreversible pulpitis: a case report	Dr Giridhavar Padma Sree	GDCH	G
186	406	Human amniotic membrane as pulp capping agent along with use of diode laser as lavage for Indirect pulp capping	Dr Ayushi Bhushan, Dr Ekta Choudhary	Sharda School of Dental Sciences	G
187	550	Management of complicated crown fracture in young permanent anterior teeth: A case series	Dr Archana Singh	Maulana Azad Institute of Dental Sciences	G
188	379	Management of extremely deep carious lesion of permanent molars with vital pulp therapy: A case series	Dr Shaheen Akhter, Dr Samiya Kulsoom Dr Huma Iftekhhar	Aligarh Muslim University	G
189	666	Pulp revival with Bioceramic precision	Dr Betty Shaji	Pushpagiri College of Dental Sciences	G
190	342	Pulpotomy in complicated fractures of young permanent teeth: Clinical outcomes	Dr Chanchal Kumari	Post Graduate Institute of Dental Sciences Rohtak	G
191	427	Regenerative Endodontic Therapy	Dr Sheetal Nandal, Dr Aarti Arora	JCD Dental College	G
192	675	Reviving roots: The healing power of amniotic membrane in pulpotomy	Dr Ruhi Sanvordekar, Dr Elaine Barretto, Dr Dinesh Swamy	Goa Dental College and Hospital	G

193	641	Revolutionizing pulp treatment: A comparative analysis of direct pulp capping and partial pulpotomy in mature permanent teeth with symptomatic irreversible pulpitis	Dr Ridhi Karwal, Dr Vinita Yadav	Post Graduate Institute of Dental Sciences	H
194	581	The vital pulp therapy; CRYO or HYPO	Dr Purva Narang, Dr Nimisha Jain	SGT Dental College and Hospital	H
195	682	Vital pulp therapy a novel approach	Dr Akanksha	SGT Dental College and Hospital	H
196	463	Vital Pulp Therapy with Laser Diode Irradiation and Resin-Modified Tricalcium Silicate: A Case Report	Dr Lisha Patel	Goa Dental College and Hospital	H
197	479	Outcome of pulpotomy using platelet -rich fibrin in permanent molars with irreversible pulpitis - A case report	Dr Adhya Shyam, Dr Anusree AM	Government Dental College, Thiruvananthapuram	H
198	646	Impact of diode laser and 3% NaOCl on the short-term outcome of DPC in extremely deep carious lesion exhibiting symptoms of mild and moderate pulpitis	Dr Varsha, Dr Parichay	Post Graduate Institute of Dental Sciences, Rohtak	H
199	181	Comparative analysis of TheraCal LC and MTA in full pulpotomy for mature permanent molars with irreversible pulpitis	Dr Amy Chopra	PGIDS, ROHTAK	H
200	119	Short term comparative evaluation of full pulpotomy in young and adult patient in symptomatic irreversible pulpitis: A case report	Dr Shaiqua Parween, Dr Aradhana Singh, Dr Himani Gupta	Dr Ziauddin Ahmed Dental College and Hospital, Aligarh Muslim University	H
